Today's Program

GUESTS: Joe Klaiber brought his daughter Kaitlyn, who is a Key Club member for EHS. Good to see Tony Panetta and Betty Geller back!

TODAY'S PROGRAM: Bill Hopper, who is the Director of Aviation at the Elmira/Corning Regional Airport. Comes with an extensive background in management and just in time for the multi-million dollar expansion effort which he outlined. Expansion of the parking, Taxiing runway, and the Terminal which will be state-of-the art, with restaurant and 3 courtyards. United Airlines is returning with flights to Newark. Having direct access to I-86 is most helpful. Very proud of the airport, and the airport is happy to have Bill who is most enthusiastic...even without powerpoint and pictures!

Before today's program Sharon thanked Sheila Thomas, Sharon Decker and Alison Mandel for last week's membership presentation. See last week's Klarion for membership info and a survey.
